

Central Ohio Miracle League 2013 Fact Sheet

League Facts:

- The league started playing in August 2005. Our eighth season will begin on May 4th and will end on July 20th.
- Over 250 children from all over central Ohio play in the league. Our league is the second largest in the nation.
- We play eight 2-inning games every Saturday from May through July. A smaller league for teens and young adults also plays at night during the week.
- Every player has a middle school or high school “buddy” who assists them during the games. There are also many adult volunteers.
- The League is a not-for-profit 501C3 organization. We are heavily reliant on donations from individuals, businesses and charitable organizations to cover our annual operating expenses.
 - Donations can be made to “The Miracle League of Central Ohio”
