

DON'T LET A CONSTITUTIONAL AMENDMENT TAKE A **ONE-SIZE-FITS-ALL** APPROACH TO OUR STUDENTS.

THIS CONSTITUTIONAL AMENDMENT WILL:

- **Take local control** of our schools away from parents, teachers and school districts and hand it over to Jefferson City politicians.
- **Force taxpayers** to pay for costly government-mandated standardized tests even though school funding is already a problem.
- **Force teachers** to teach to a test rather than focusing on actual instruction and learning.

PROTECT OUR LOCAL SCHOOLS. KEEP OUR LOCAL CONTROL.

Fundraising

Just like every student matters in the classroom, every dollar matters on the campaign trail. That's why we've set a goal of raising one dollar for every student in Missouri. We want you to help us meet that goal by raising one dollar for every student in YOUR school district!

There are three **EASY** ways to give to the campaign to **PROTECT OUR LOCAL SCHOOLS**.

- 1) **ON-LINE CONTRIBUTIONS** – Go to www.protectourlocalschools.com and give online using your credit card
- 2) **CONTRIBUTION ENVELOPES** – Talk to your Fundraising Coordinator for an envelope
- 3) **ORGANIZATIONAL DONATIONS** – Talk to your Community Outreach Coordinator about larger organizational donations
