KANSAS STATE UNIVERSITY SALINA

**LETTER FROM THE SGA
PRESIDENT**

To: The K-State Salina Student Body
From: Tyler Lewis, SGA President
Date: January 21, 2014

Greetings Fellow Wildcats!

I am thrilled to welcome you back to K-State Salina for yet another wonderful and exciting semester as we engage in the opportunities of a New Year and New Semester. I am hopeful that the spring semester of 2014 will yield unto each of us new and exciting opportunities in our academic pursuits as well as our growth as professionals and individuals.

It has been an honor serving our student population this year and I am looking forward to the continued success of our Student Governing Association in the future. In order to ensure the success in our representation of the student populations, I would like for you to join us for lunch on January 24, 2014 from 11:00am - 1:00pm in the café. Don't worry about the cost; it's on us as long as you bring your K-State ID. We would like for you to express your concerns to us so that we may do what is necessary to make this campus reach its fullest potential. In addition to your concerns, the SGA administration has sought to provide our students adequate information regarding those issues that directly affect each of us. In order to accomplish this goal, I wanted to take this opportunity, in partnership with our student staff at On The Record (OTR), to provide a State of the Student Governing Association Address within the February issue of On The Record. I am most hopeful that the information that will follow will provide each reader with great insight into issue and solutions from last semester as well as our daily functions and operations.

SGA meets every Tuesday at 8:30pm in the College Center Conference Room. We would love to see you there; the meetings are always open for all to attend! Know that your SGA is working to establish better connections with students, administration, faculty, and staff so that you will be better informed. SGA has the ability to take raw student power and harness it into making our college life better, we exist for each of one of you, and it is our goal to provide answers and solutions to your problems. I unpretentiously express our continued commitment to represent and serve the student population with a commitment to a healthier quality of student life here at Kansas State University Salina. As always; Be Smart, Be Safe, and Stay Classy! Always remember every day is a Great Day to be a Wildcat!

All the Best,

Tyler A. Lewis
Student Governing Association President
