Region Representatives: A Region Representative provides service and helps organize local PTA units in unorganized (without councils) counties. Are you interested in supporting regional development as a region representative? Please write what experiences you bring to the position and why you want to serve in this capacity (if interested only):

Do you want to share any knowledge, skill, talents or interests that pertain to your selections above?

NOTE

Please note completing this interest survey does not guarantee your choices/selections. However the Committee will do their best to consider your preferences along with the needs of the association while keeping in compliance with the Florida PTA Bylaws and Policy & Procedures.

Please return by 7/31/2014 to President@floridapta.org
or fax to 407-240-9577
