

TRCS TODDLER NATURAL PLAYSPACE PROJECT

The more funds we raise, the more we can accomplish for our Natural Playspace. As soon as we raise \$12,000, we can get started. Here's how you can help:

- **Ask your company if they can make a corporate donation!** We will display a donor plaque on or near the sponsored item for any donation over \$1,000.
- Ask Grandma/Grandpa, Aunts & Uncles to make a donation in your child's honor!
- Can you build? Perhaps you would be willing to craft a garden shed or assist in building the fence. Let us know!
- Do you have plants you can donate? We're looking for certain types of child-safe plants for our gardens.

\$50— Sponsor a Decorative Tile: These will be used around the chalkboards and other playspace elements and can be decorated by your child.

\$100— Sponsor a Garden Paver: This can feature your child's handprints or name!
