Summer Reading
Program 2014

FIZZ BOOM READ

ITTY BITTY PROGRAMS

Programs are geared for children from birth—3½ years —see program information below for specific ages for specific programs.

IMPORTANT NOTICE:

Summer programs will NOT require registration, unless noted. Attendance tickets will be available 20 minutes before each program. A child must be present to get a ticket, and tickets must be presented at the door.

All Itty Bitty Programs require the attendance of an adult caregiver, who must also present a ticket at the door. To ensure that we can fit as many children in the program as possible, please try to limit the number of additional family members. Please leave strollers and large bags in the designated area outside the program room to maximize space.

THANK YOU!

Complete the online
evaluation for your chance
to win a \$25 gift card

HOW SUMMER READING WORKS:

This summer, children who register for our summer reading program will set their own reading goals with their families. Itty Bitties are encouraged to incorporate Early Literacy Activities such as singing, rhyming, and playing games in addition to reading together. Come in 6 times during the summer to punch your goal card, get prize coupons donated from local businesses, and turn in a raffle bubble for a weekly prize drawing. If we get enough raffle bubbles to overflow our chemistry flask, librarians will take a pie in the face at our wrap up event!
