

HERE'S WHAT YOU DO:

- Register at the library OR online (www.brownsburg.lib.in.us) beginning Tuesday, May 27th. Although you can register in advance, you should not begin working on your goals until Monday, June 9th. You will be able to work on your goals until Sunday, July 20th. You will need to come into the library to receive a punch card prior to coming in for prizes.
- Attend our Summer Reading Kickoff on Monday, June 9th, from 6 to 8 PM. Okay, so this isn't required but it is a lot of fun!
- Set six goals for yourself. At least two goals must be reading goals, but your goals can also include activities like writing, listening to audiobooks, or attending teen programs.

Are you an avid reader who likes to read one book after another all summer long, or do you let reading take a back seat when it's not required for school? Whatever category you find yourself in, we want you to challenge yourself this summer by participating in the Teen Summer Reading Program at the Brownsburg Public Library. Here's how simple it is:

Step 1 - Set six goals for yourself for the summer.

Step 2 - Meet your goals!

Step 3 - Bring your punch card in so we can punch it and give you a prize!

Easy, right? That's pretty much all there is to it! Try and make your goals challenging by pushing yourself no matter what your reading style! You can set goals based on the number of minutes you plan to spend reading, the number of books or chapters you want to get through, the number of library programs you will attend, or trying something new like writing a book review, reading to a child, volunteering to be a book buddy, listening to an audiobook, using our downloadables...you get the idea! And your goals don't have to be the same each time. For example, Goal 1 might be to Read a book and write a review. Goal 2 might be to attend a library program. Goal 3 might be to volunteer as a book buddy at the library this summer. Because there are six, many of you may decide to do them weekly, which is fine. But you can also do goals you can work on simultaneously if you make your later goals more challenging. For example, your first goal may be to come to a teen program and your sixth goal may be to read 3 books over summer. With that, you could be reading those books throughout the entire summer, but you could also come to a teen program any time over the summer. You may accomplish your goals at any time throughout the program but keep in mind that by coming in weekly, you also have a chance to enter the weekly drawings! So, get registered, set your goals, and start earning prizes for meeting your goals!

There are three guaranteed prize levels:

Every time you meet 2 goals, you'll receive a prize.

First two goals met: Candy or a Grab Bag Surprise and a coupon for a free book from our Library Shop

Next two goals met: 1 free game of bowling at Brownsburg Bowl

Final two goals met: A new book and an invitation to the End of Summer Reading Teen Party

In addition to the guaranteed prize levels, you can also enter into our weekly drawings. If you meet a goal during the week, come in and we'll punch your card and give you a raffle bubble. Fill out your name and number on the back, add it to our board, and we'll pick a winner for that week's prize the following Monday. Some of our prizes include a 4 pack of tickets to a concert at Klipsch Music Center, Brownsburg 8 Movie tickets, and a craft party at Frazee Gardens! Other great weekly prizes will be announced later so keep checking in with us at the library!

Thank you to our sponsors!
