Wednesday, April 2<sup>nd</sup>

- 9:00am NeighborWorks Training  
One of the key challenges of organizational and community life is developing a highly productive team. Managers and community leaders often struggle with individual and group disputes that seem impossible to resolve. This Teambuilding Toolkit workshop will identify key areas of conflict, proven strategies to identify the issues underlying these conflicts; and will provide an interest-based approach to resolving disputes and/or establishing and nurturing a strong team, whether a Board of Directors, organizational staff or residents trying to figure out how to fix their neighborhoods.
- 3:00pm Adjourn
