

Model 434S Dispenser Pedestal

NEW PRODUCT ANNOUNCEMENT

Dispenser pedestals serve as a raised platform for piping and installing dispensers/pumps in aboveground fueling systems.

Features

- Provides containment for small leaks in dispenser piping
- AST pedestal sold with a dispenser specific mounting platform
- Dispenser pedestal less entry penetrations for desired placement in the field
- Pre-drilled anchor holes
- Dispenser mounting platform overhangs the pedestal base minimizing the ability for water penetration
- Stabilizer bar kits included
- Connection boots available
- Water tested liquid tight to the 6" level (18 gallon capacity)
