

# Lightweight Manholes with NEW Moisture Barrier Coating

Morrison lightweight manhole covers have been vastly improved!

Our lightweight manholes are encapsulated in a **new high performance material**. The Morrison engineered laminate has been encapsulated with Line-X XS350 containing long life polyurea elastomers, built for moisture protection and chemical resistance.

## ► New Features

- High strength elastic protective coating... **3X stronger than standard truck bed liner!**
  - Even at low temperatures
- Exceptional barrier against moisture and chemicals
- Strong surface adhesion characteristics—won't peel or separate
- Coating is so strong it's used to provide blast and force mitigation on Pentagon walls
- Slip-resistant surface
- Extended service life

## ► Features from Previous Models

- Stainless steel handle/lift-lug combination
- Stainless steel pry plate
- 3/16" steel angle iron ring set
- 12 gauge steel skirt

INTRODUCTORY

I.D. Number	Size	Description	Complete Weight	Cover Weight	List Price
318L--3800 AMC	38" x 10"	Lightweight manhole with lay-in cover	125	56 lbs.	\$700.00
318L--3900 AMC	38" x 18"	Lightweight manhole with lay-in cover	157	56 lbs.	\$790.00
318L--4400 AMC	44" x 10"	Lightweight manhole with lay-in cover	172	89 lbs.	\$840.00
318L--4500 AMC	44" x 18"	Lightweight manhole with lay-in cover	188	89 lbs.	\$940.00
