We're All in This Together

If your life has been affected by multiple sclerosis in any way, this is your chance to connect with others in your MS community. Whether you're being proactive about your own health or helping to care for someone else, you can share your experience and learn from others. Please join us to:

- ⑥ Learn about MS, treatment options, and support services that are within your reach
- ⑥ Share real-life experiences, resources, and advice with other people affected by MS

24/7 NURSE SUPPORT

Around-the-clock nurse support and guidance. Dedicated nurses provide additional assistance for patients at high risk of discontinuing therapy.

INJECTION TRAINING

Free in-home sessions with injection training nurses for patients at any stage of therapy.

FINANCIAL AND BENEFITS INVESTIGATION

Let us help find ways to get affordable access (for patients who qualify). Available at any time during the therapy experience.

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch, or call 1-800-FDA-1088.

You may choose to have your name removed from our mailing list at any time by writing us at Patient Services and Solutions, Inc., P.O. Box 7588, Overland Park, KS 66207, or by calling Shared Solutions®, a network of resources offered by Teva Neuroscience, Inc., at 1-800-887-8100.
