The 2014 Outdoor Ministry theme is ***“Get Real, Finding Your True Self in Jesus”***.

Campers will explore the teachings of Jesus and how this impacts each of us as individuals and as a community of Christ.

Many new items are happening at Camp MoVal in the 2014 camping season. The first is our age group bracketing and age relevance for attending programs. Moving forward in 2014 and beyond, the grade level requirement will be the grade campers are going into. We know that for many years this has been a confusing issue and we want to use standard approach to grade levels. There will also be a transition in the summer of 2014 for high school seniors as we create new programs for college students and young adults.

The second new item for Camp MoVal is that during the summer of 2014, Camp MoVal will be going through the accreditation process with the American Camp Association. What that means for all of us is that Camp MoVal will be recognized and accredited to the highest camping standard, which translates to a very high quality program and ministry.
