**Light Rail** -- You may also take light rail directly to Historic Folsom from the Glenn, Iron Point or Hazel stations.

**Other Viewing Sites** -- If you prefer to avoid the large crowd in the Historic District, you may watch the cyclists from many points along the course. Walk or ride your bike to Folsom Auburn Road, Folsom Lake Crossing, Lake Natoma Crossing, East Natoma Street and Green Valley Road. Given the staggered starts, you will see a near steady flow of cyclists racing at speeds up to 30 miles per hour. *Please remember that safe conduct is critical for spectators and riders.* Be alert and enjoy the experience.
