

## Getting ready for 1<sup>st</sup> city-wide Community Service Day

Steering committee members invited service organizations and other individuals to brainstorm potential projects that would benefit from volunteer work. The original list of more than 100 potential projects has been whittled to about 20 projects such as the following:

- repainting/staining a park-site kids play structure
- creating a community garden
- painting trail rules on trail pavement
- beautifying city entrances by spreading wildflower seeds
- landscaping and fencing at Powerhouse Ministries
- historic cemetery clean-up
- Pioneer Village improvements
- musical instrument/bike donations for children in need
- yard work/leaves clean-up for seniors
- repainting interior of Folsom Teen Centers at middle schools
- painting Zoo Sanctuary and Aquatic Center fencing
- preparing care packages for military troops serving overseas
- open space clean-up

***Organizers are recruiting service groups to take leadership of individual projects, as well as financial sponsors to provide required supplies and materials.
