

MARIMBA

Zimbabwean marimba easily accommodates students with no musical background, as well as experienced musicians. Kids learn through the repetition of patterns, and how it fits into a larger pattern, developing rhythmic, melodic and technical skills, as well as concentration, cooperation and listening. **And it is FUN!**

THURSDAYS (weekly classes)

3:30 – 4:30 pm or 4:00 – 5:00 pm

- Minimum age 7
