

# Using Essential Oils... Bringing Balance to Life

**Join us for an event that will bring you more information to transform your life and others.**

## What Will You Learn...

Learn what an essential oils is, the distillation, importance of the chemistry of essential oils, how to use them safely for yourself and family. With back to school and flu season around the corner, be prepared with your Natural Medicine Cabinet. You don't want to be without them! Essential oils will be available to experience.
