The purpose of this correspondence is to make the formal invitation to Rotary Clubs in District 6740 to suggest one of their Rotary Club members for consideration by the District Nominating Committee for selection of the District Governor Nominee-Designate for the office of District Governor, District 6740, in the Rotary year 2017-2018. The deadline for submission of the District Governor Nominee form is January 15, 2015.

To suggest a member for consideration by the Nominating Committee a club must:

(1) Adopt a resolution which suggests one of its eligible members to the District Nominating Committee for consideration as the District Governor Nominee Designate to serve as District Governor from July 1, 2017 thru June 30, 2018. The resolution should be made at a regular meeting and the adoption of this must be witnessed by the club secretary.

A “suggested” motion by a club member (other than the Rotarian being suggested): *Madame or Mister president, I rise to present the following resolution for the “Club Name” to District 6740 Nominating Committee for consideration of “club member name” for selection as District Governor Nominee Designate for the Rotary Year 2017-2018.* The presiding officer should then seek a second to the motion, then call for a vote of the members present.

(2) The suggested member must then complete and submit pages 1-2 of the “Governor Nominee Form” including the photo request and spouse/partner information request. (The form is available digitally and can be completed via word processing which is highly recommended.) The form is also included with this mailing. (3) The suggested member must read and faithfully execute “the candidate statement” on page two (2) of the Governor Nominee Form.

(4) The club secretary then must execute the “Club’s Statement of Candidate’s Qualifications” on page 4 of the Governor Nominee Form. In doing so the club secretary certifies the following: 1. The club member is a club member in good standing. 2. That the suggested member has been suggested by resolution of the club. 3. That the suggested member meets the Qualification of Membership and that membership information is accurate.
