DREAMERS. GIVERS. DOERS.

Not Your Momma's Philanthropy Group

Why join NextGenNow? We know that there are many places to donate your time and money. NextGenNow is for people who want to make a difference by:

- Supporting the community they work and live in through financial contributions and engaging in philanthropy with their peers to make the greatest impact.
- Getting involved in their community and learning more about the needs and issues facing Arlington and beyond and the nonprofits that work to address them.
- Making new friends and seeing old ones, networking and developing new skills and contacts while having tons of fun and supporting great causes.

Annually, members have a voice in selecting a service area and theme where awards will be granted through their tax-deductible membership dues. Throughout the year, members have the opportunity to engage with each other at social networking events, workshops, and volunteer opportunities.
