

WHAT IS YOUR VISION FOR LEESVILLE?

What do you want Leesville to look like in 20 years?
The city is preparing a long-term vision based on the community's shared input; then we will update development rules to help achieve the vision. This will impact how Leesville looks and feels in the future. Your viewpoint is important, so come get involved!

Join us for a public visioning workshop

Thursday, March 20, 2014

5:30 pm: Registration & Refreshments

6:00 pm: Visioning Workshop

Leesville Country Club
