

The United States Submarine Veterans Inc. Scouting Recognition Program

Boy Scout Eagle

Girl Scout Gold

***Sea Scout
Quartermaster***

The Submarines of the United States Navy are the most complex naval warships built to date. The Crews are the most knowable in their specialty and have the highest percentage of college degrees of any Navy vessel.

During WWII there was a poster showing a very young sailor at the wheel of a submarine. The caption was, 'My father won't let me drive his car and here I am steering a \$25,000,000.00 submarine'. Responsibility comes early as a member of a submarine crew. Each member of the crew has to be familiar with the entire submarine and possess a thorough knowledge of his assigned department, as things happen fast with the depth and speed they operate.

We are looking for the best of the best to replace us and we could not start in a more appropriate place than a Scouting Court of Honor. The certificate presentation not only helps to encourage other scouts to strive for this level, but we also plant a seed towards the possible recruitment of a future Submariner.

USSVI would be honored to be a part of the ceremony that recognizes what these young men and women have done to reach this highest level of scouting.

The Hampton Roads Base provides local support for the USSVI Scouting Recognition Program. Please complete the application for recognition and send by either an e-mail attachment or postal mail to:

William W. Newton
USSVI Hampton Roads Base
Scouting Recognition Coordinator
P.O. Box 6413
Newport News, VA 23606
Tatonka_Bill@cox.net

(Please submit at least three weeks before presentation date)

In the event a personal presentation is not possible, a letter of congratulations will be furnished that can be presented at the award ceremony.

Best regards,

A handwritten signature in black ink that reads "William W. Newton". The signature is stylized with a large, looped 'W' and a cursive 'N'.
