For Weekend 2, please be prepared to camp in a patrol situation, just as the boys would do in the troop. You will be assigned to a patrol at the end of Weekend 1 (or in the interim) and will be expected to be a part of the planning for the weekend. You will have a Patrol leader, who should be contacting each patrol member to be included in the planning for meals and equipment. You will be eating as a patrol, so will need to plan meals. The staff will have coffee and snacks available throughout the weekend. The meals you will need are Breakfasts on Saturday & Sunday morning, Dinner for Saturday evening, a "Trail" lunch for Sunday. A working lunch will be provided by the staff on Saturday. Some of the other things that you should plan for on the IOLS weekend are:

To have a Patrol Name, Flag & Yell (and use them throughout the course)

To plan and hold a campfire program for the troop, with each patrol providing skits, songs, etc.

To provide a small Cracker Barrel after the campfire for the troop & staff

To plan and hold an Interfaith Service on Sunday morning (more instructions will be given)
