

Helping Neighbors in Need Bread and Water Campaign

Many people continue to go hungry and struggle to stay in their homes in our community. **Your spare change can make a difference to them!**

WFCM Needs Your Support

Financial support is vital to Western Fairfax Christian Ministries to help our neighbors facing crises achieve financial stability. In FY 2013, WFCM:

- Served 745 households a total of 26,747 bags of free groceries.
- Provided 374 households financial assistance for rent, utilities, medical prescriptions, and gas cards totaling \$182,245.
- Sponsored 1,319 individuals and families through WFCM's Holiday Food Program.

Bread & Water Campaign: How it Works

Take a water bottle and fill it with loose change, dollars, or checks (payable to WFCM) to support WFCM's client assistance services. At the end of the campaign, return the bottle to your coordinator. **WFCM cannot administer our programs without financial support, and we appreciate whatever size gift you are able to share.**

You can be a source of hope in 2014 for families who are facing financial hardships. Your generous gift provides more than help – it gives them the hope to persevere.
