Workshop Description – Music 🎵🎵:

Who doesn't love to sing! **Brownies and Juniors** will learn about all the different instruments and figure out which one might be the best choice for them! **Cadettes, Seniors and Ambassadors** will get a tour of the college-level facilities and learn about what it might be like to study music in college.

Workshop Description – Dance :

With the help of the Buffalo State Pom Dance team, all girls will learn an exciting form of dance (which includes using pom-poms!) that is used on campus to promote school spirit and build excitement at the Buffalo State sporting events.

Workshop Description – Fine Arts :

The girls will work first apart, and then together to create a collaborative city design using puzzles, a quilt and many other materials such as colored pencils, markers, crayon and construction paper. Led by a graduate student in Art Education, after each girl creates her own work of art, they will be combined together to create one amazing, Girl Scout artwork!

Workshop Description – Museum Arts :

At the art museum housed on the Buffalo State campus, the Burchfield-Penney Art Center, award-winning collage artist Russell Ram will lead the Girl Scouts in a collage project that links words with images. As each of us responds differently to visual images, every piece created will be unique and personal. Beads, ribbons, and all types of collage materials will be incorporated into these one of a kind works of art.
