2014 SPX Summer Enrichment Program Schedule

Course Descriptions

Students who register for both a morning and an afternoon session during the same week, can stay for lunch for free! Students who participate in the AM session who want to stay for lunch or students who are attending the PM Session who want to stay for lunch, can join us for \$5 per day. Lunch ends promptly at 1:00 pm! Students may arrive as early as 8:30 am for the AM session or stay as late as 4:30pm for the PM session for free.

All Around the World: Travel to different continents to experience a rich journey filled with culture. (\$100)

Animal Safari: Become an animal expert as we learn about animals from all parts of the world. (\$100)

Basketball Skills: Get ready for summer, fall and winter leagues with this great skills clinic and competitions! We will have guest speakers, too. Students of all skill levels are welcome. (\$85)

Best Foot Forward: Help your little one put their best foot forward in school, then join the preschool staff for a week of self-esteem-boosting, brain boosting, friendship boosting fun! (\$110)

Boardbusters: enjoy playing all sorts of board games and compete for Game Day Champion! (\$85)

Cake Creations: bake, design, and eat their own cake creations using homemade mixes, frostings, fondants, and decor. (\$110)

Camp Out: learn about camping and outdoor adventure. A final "camp out" is planned for the last day of class! (\$100)

Crafty Campers: a week filled with fun DIY's. Create charming decorations and crafts you can use every day. (\$110)

Creative Corner: Students realize their creativity through various hands-on craft projects and exercises. (\$110)

Creative Writing: Focus on creative writing techniques through short story writing, poetry, fairy tale writing and more. Learn how to add vivid detail and imagery to writing pieces. (\$100)

Dance 'til You Drop: Young children will learn some basic dance moves to some great current hits! No experience necessary. (\$85)

Digging Dinosaurs: Look out, paleontologists! Learn about dinosaurs with puzzles, stories, crafts and fun everyone will 'dig' (\$100)

Disney Days: Celebrate the happy place with games & crafts! (\$100)

Dr. Seuss Days: Celebrate everyone's favorite author with crafts, snacks, stories, movies and more! (\$100)

Environment Exploration: Look at all facets of a garden and create a terrarium! Investigate the garden to find how the ecosystem members support each other. (\$100)

First Grade Readiness: FANTASTIC review of kindergarten skills with a preview of first grade. (\$100)

Hands on Science: Investigate your five senses, the stages of matter, the different forms of energy, density, buoyancy, and physical and chemical changes. (\$100)

Holiday Happiness: Celebrate all of your favorite holidays throughout the year in one fun week! (\$100)

Introduction to Theatre: A week dedicated to acting, singing, and staging. (\$100)

Kids in the Kitchen: Come learn simple, but beneficial cooking and baking skills through use of food preparation. Prepare delicious meals that will impress the taste buds! (\$110)

Kindergarten Readiness: Work with a certified kindergarten teacher to get ready for the challenges of kindergarten! (\$100)

Lego Masters: use creativity and imagination to build and create with Legos, blocks, and play dough. (\$100)

Magic Camp: learn tricks, spells, and even a potion. Become a magician in just one week! (\$100)

Mathletes: Reinforce math skills learned through games, practice, activities and competitions. (\$100)

Musical Madness: immerse yourself into the world of musicals enjoying song, dance, acting, and crafts. (\$100)

Ocean Explorers: Dive into this program! Explore the oceans, learn about sea life and make some great crafts! (\$100)

On the Go: each day, learn, read, and create crafts, based on different types of transportation. (\$100)

Phonics Strengthening: Through manipulatives and games, students will review vowels, digraphs and welded sounds. They will be assessed in CORE skills that will demonstrate areas to be addressed t/o the summer. (\$100)

Princess Power: Find your inner princess as we sing, watch movie clips and make some crafts! End the week with a tea party! (\$100)

Proud to be an American: Patriotic crafts, games and music. (\$100)

Sassy Summer Nail Salon: design and paint your own nails using popular salon techniques, styles, and products (\$100)

Sensational Science: learn the fundamentals of science through hands on activities and lab experiments. (\$100)

Soccer Skills: Get ready for their fall soccer season. (\$85)

Sports of All Sorts: Learn the basics of basketball, soccer, and baseball, as well as other physical education class activities. (\$85)

Super Hero Boot Camp: Participants work on their superhero skills in a fun, relaxed environment. (\$100)

Tech Now: Students will learn how to use Excel, Word, Google & Windows Moviemaker, as well as search engines for school projects. Hands on practice and make-and-take fun. (\$100)

Worlds of Wonder: Explore the world of science with our wonderful preschool teachers! Focus on hands-on experiments with water, air, magnets and more! (\$110)
