MixedBag Designs Fundraiser

We are pleased to announce the return of the MixedBag Designs fundraiser...an eco-friendly way to help support Blue Oaks PTC with reusable tote bags, travel bags, home accessories and more. The bags are high-quality, durable, easy to clean, come in stylish patterns, AND are great for our environment – *go green and gorgeous!*

The bags are great for shopping, travel, storage, birthday/holiday gifts, home organization, and more! The holidays will be here before you know it... get a head start on your gift giving. Don't forget...grocery stores are going to start charging customers for plastic bags soon – stock up on all your reusable bags! Buy extras to have on hand for extra birthday or holiday gifts and package your gifts to family and friends IN a MixedBag tote for a special surprise.

Check out the samples on display in the office!
