CLASSROOM ACTIVITY FEE (NEW Collection Method**)**

\$100 per child—Goes directly to your child's teacher

Each year our teachers & Room Parents collect \$100 from each child in the classroom to pay for Class Specific activities like field trips, parties and special performances. DC Public Schools DOES NOT provides funds in our Lafayette budget for these items. We rely on parent support for that in each class. This year we are helping out the teachers and Room Parents and collecting \$100 per child in advance at the same time we are asking for HSA support. Your child's teacher will determine how these Classroom Activity Funds are spent working closely with their room parents.

HERE ARE <u>3</u> EASY WAYS TO GIVE:

- #1 Pay online at www.lafayettehsa.org
- **#2** Bring your credit card or check book to school during the month of September and someone on our Membership Committee will take your donation at drop-off, pick-off, and at Back to School night
- #3 Fill out the form on the back of this page and drop it in the HSA Donation Box in the Great Hall
