

ARAPAHOE-DOUGLAS-ELBERT MEDICAL SOCIETY

Arapahoe-Douglas-Elbert Medical Society, Colorado Medical Society & Denver Medical Society

invite Practice Managers, Physicians and MU Coordinators to attend this
CFMC presentation:

Understanding the **EHR**Lexicon:

PQRS, MU & VBPM

Physician Quality Reporting System, Meaningful Use & Value-Based Payment Modifier

Devin Detwiler,
MSHA, MBA, CHTS

Quality Improvement Specialist
Colorado Foundation for
Medical Care (CFMC)

Devin has been working in health care settings her entire career including Cardiology, Endocrinology, Internal Medicine and Family Practice. Devin has more than 15 years experience in practice management and taught in the Medical Office Technology program at Front Range Community College. She has been working with EHRs for the past 7 years and working at CFMC, the Medicare Quality Improvement organization for Colorado, for 5 years.

Tuesday • July 15, 2014

COPIC Building – Mile High Room
7351 E. Lowry Blvd., Denver CO 80230

7:30am – Coffee Reception (Continental breakfast)

8:00-9:00 am – Presentation by Devin Detwiler

Additionally, Devin will be available for one-on-one consultations following the main program. To schedule additional time contact: ddetwiler@telligen.com.

- ➡ Are you taking full advantage of your EHR for PQRS reporting?
- ➡ Will you be able to meet 2014 Meaningful Use (MU) requirements?
- ➡ Does your practice come under the Value-Based Payment Modifier (VBPM) rules?

If your answer is "No" or "I don't know" this session will help you understand how the PQRS, Physician Compare Website, and Value-Based Payment Modifier (VBPM) programs connect to clinical quality measure reporting and performance improvement.

This educational event is FREE, however you must RSVP as seating is limited to the first 90 RSVPs.

RSVP to: marilyn_rissmiller@cms.org
