

Protect Yourself by Understanding Healthcare Fraud

**SAVE
THE DATE**

The Centers for Medicare & Medicaid Services, in collaboration with the Colorado Medical Society, will host the **Protect Yourself by Understanding Healthcare Fraud Symposium** on September 11, 2014. The purpose of this event is to educate physicians, other healthcare providers, and administrators on how to safeguard and protect their professional and medical identity, and their most valuable assets—their medical practice and their patients and clients—from fraud.

Tentative Topics Include:

- Real-life examples of issues faced by healthcare professionals in Colorado with cybersecurity, HIPAA compliance, risks of data breaches and medical ID theft.
- Understanding the different audits conducted by MACs, RACs, ZPICs, and MEDIC.
- The work of the Center for Program Integrity, Medicaid, the U.S. Attorney's Office and the Office of the Inspector General in preventing, detecting and responding to healthcare fraud.

Space is limited. Look for details soon on how to register.
