

# **OPPORTUNITY VILLAGE - NEVADA CITY?**

**7 pm on November 10 at Elks Lodge, Nevada City**

**Please come listen to Andrew Heben, creator of Opportunity Village, Eugene, Oregon.**

Opportunity Village is a micro-house village where people, otherwise homeless, can find shelter and get their bearings. We will discuss the possibility to create one here in Nevada City.

So far this project is being sponsored by Sierra Roots and McCamant & Durrett Architects. We have invited Andrew to come present the benefits and challenges of the project in Eugene, and answer questions.
