THERAPEUTIC RECREATION

We engage our residents social activities that stimulate all the senses – visual, tactile and auditory. We achieve this goal through a variety of activities: arts and crafts, horticulture, creative arts, group games and a lively Bingo game every week. Because of your support, our residents celebrate life and feel creative and productive. **Any donation is greatly appreciated**

Birthday Celebrations

Who doesn't enjoy birthday cake and celebration? Your gift will underwrite special birthday luncheons for our residents so they may celebrate their milestone with music and dancing. This gift is so meaningful for it honors those individuals who are very dear to all of us - our residents!
