

The Genesis Project

The Second Mile Resolution

October 1, 2014

MATTHEW 5 And whoever compels you to go one mile, go with him two. Give to him who asks you, and from him who wants to borrow from you do not turn away.

At this time in our history The Genesis Project Staff, Elders and Overseers resolve to pursue the purchase of real property located at 3525 Riverdale Road, Ogden, UT 84405. In addition to this purchase we also intend to partner with and purchase the operating business of HUB 801, a reception and event center currently occupying the above mentioned property. As of January 1, 2015 The Genesis Project intends to relocate all corporate worship services and events to this space as a permanent home and headquarters for our church. At the same time we will transition our 12th Street location into "The Genesis Project Serve Center", this will serve as a place to serve and support those in need in our community 7 days a week. Last, we will move all Genesis Project office space into the "Building God's Way" building on 29th and Washington to serve as a counseling and leadership center for all Genesis Project ministries. The ultimate goal will be for The Genesis Project to make significant up front investment in our city to create an economic funding engine that will drive the mission based movement of The Genesis Project into the future.
