

## **NCBI Monterey County gets AmeriCorps VIP!**

**We are in the first of a 3 year commitment.**

On Sept 9th, 2013 NCBI Monterey County Chapter became one of 10 local non-profits selected to receive an AmeriCorps Volunteer Project (VIP) volunteer program coordinator.

For an annual cost of \$10,000 NCBI receives a full time AmeriCorps volunteer for 10 months. The VIP is responsible for chapter administration, developing a volunteer program for NCBI, increasing our capacity to serve the communities of Monterey County and garnering new resources through fundraising and the building of business partnerships.
