

## MaineCare: Days Awaiting Placement Reimbursement Rate Change

Effective July 1, 2014, the new Days Awaiting Placement Rate is \$89.88.

Before you start MaineCare billing for July, 2014, do the following:

1. Select **Resident Account System > Libraries > Facility > Room Status Codes**.
2. Look up the Room Status Codes that you use for NF level of care.
3. You should have a **Status Code** set up similar to the one below.  
In that record, change the **Room Rate** to 89.88.

**Edit Room Status Code Records**

Level of Care ☐ SNF ☒ NF ☐ RCF ☐ OTHER

Status Code WP Description Days Waiting Placement

Status Type ☒ Room ☐ Hold Day ☐ Transfer ☐ Discharge ☐ Inactive

After you make this change, in Census, when a resident's Status Code is changed to WP (Days Awaiting Placement), the Contract Rate will change to \$89.88.

**IMPORTANT:** If you created room charges before you changed the Days Awaiting Placement Contract Rate, make adjustments.

Select **Receipts/Charges/Adj > Adjustments > Room Adjustments**.

Choose the resident.

Choose the line item for the Days Awaiting Placement.

Change the Contract Rate to \$89.88.

**Print/Post Transactions.**
