January 8, 2014

Dear Parents,

Clear Water Academy students in Junior and Senior High School will be writing semester exams from January 22 - 29, 2014. This includes Diploma Exams for Grade 12. There will be no change in the regular routine of Junior Kindergarten to Grade 6 students – **EXCEPT – Friday, January 24, 2014, we have a noon dismissal for all students in our school (this is our staff appreciation lunch hosted by CWA parents).** Exams written by students in Grades 7 to 12, including the Diploma Exams, will begin at 9:00 AM on the specified mornings and 1:00 PM on the specified afternoons, (please see the attached schedule).

Regular classes for students in Grades 7 to 12 will end on January 21. From January 22 - 29, students in Grades 7 to 12 will be in attendance to write exams and then leave for the day to prepare for their next exam (there are no classes during this period). Teachers will be available for extra help each afternoon during the examination period or by special arrangement. Students in Grades 7 to 12 are not to be at school unless they are writing exams or receiving extra help.

Teachers are working hard to get their classes ready for semester exams in January. I ask parents to ensure that students are well rested, well nourished and prepared in every way for the exams. It is important for all students be present for exams unless there is a sickness or emergency. Please do not plan ski trips or family vacations during the examination period. The exam schedule is attached for your information and future reference. If you have any questions, please do not hesitate to contact me.

Sincerely in Christ,

Darren Forrester
Principal
