Dear Sandra,

"When I walked up those stairs to the WCA it was the longest journey I think I've taken in years. But when I opened the door my new life began." These words were spoken recently by one of our clients as she came to us after suffering the trauma of domestic abuse for years.

At the WCA we strive to provide new beginnings through safety, healing, and freedom for those that come through our doors. Your recent gift of \$1,000.00 is what enables the Women's and Children's Alliance to strengthen the families in our community.

Your support is a mother's night of rest without fear for herself or her children. Your support is counseling for a child to help define healthy relationships, learn boundaries, and *break the cycle*. Your support is financial literacy, court advocacy and case management services. Your support is a fresh start for the families that need it.

If you have not already attended our one-hour inspirational tour "If These Walls Could Talk," I urge you to do so. Details about tours and upcoming events are available at our website: www.wcaboise.org.

Thank you for your belief in our mission.

Gratefully yours,

Bea

Dear Sandra:

Thank you for your recent \$1,000.00 donation to The First Tee of Idaho. We could not continue to impact the lives of thousands of children with our life skills programs without your support!

As a 501(c)(3) organization, your contribution is tax deductible. Please keep this letter for your income tax records.

There are many worthy non-profit organizations to support in Idaho, and we are very thankful that you have chosen to support us with your donation. Thank you again for your support of The First Tee of Idaho!

Sincerely,
