

July, 2014

Dear Parents and Students,

I hope you are all enjoying a wonderful summer, despite the unpredictable weather, and have been able to spend some time relaxing and reveling in the company of the people you love most.

I am much honored to be serving as the principal of Resurrection College Prep High School for the upcoming school year. We are embarking on an exciting new era as we officially adopt an updated school logo and enact the exciting Chromebook 1-to-1 initiative for incoming freshman and sophomores. Our teachers and staff have spent many hours during the last school year and over the summer preparing for the changes that this will bring to our instructional delivery including infrastructure upgrades, software/ hardware enhancements and extensive professional development. Chromebooks will forever change the way our students learn and interact with course material. We are confident it will help to promote digital citizenship and adequately prepare our girls for the demands of college, career and beyond.

Other changes are in the air as well. Please join me in welcoming the following new staff members who will be joining our team this year:

- Ms. Mary Bridich- Counselor
- Ms. Kristin Even- Recruitment & Alumnae Relations
- Ms. Margaret Kinel- Associate Principal
- Ms. Alanna Landin- Choral Teacher
- Ms. Margaret Lee- English Teacher
- Ms. Nancy O'Leary- Recruitment Coordinator
- Ms. Amanda Stieber is now working as Practicum Coordinator

We are also currently interviewing for a part-time Theater teacher and full-time Math teacher. Please mark your calendar for Back to School Night on Wednesday, August 27, 2014 and take the opportunity to meet your daughter's teachers and advisors. I look forward to getting to know you all over the course of the year. Please feel free to introduce yourself at Back to School Night and as we interact during the school year.

In the meantime, enjoy the last days of summer and do the things that bring you both peace and joy. I personally suggest traveling to a beautiful place, attending a concert in the park, taking a leisurely bike ride along the lake, taking a walk in the woods or watching the sun set. It is in seeing the splendor of creation that we are drawn to the goodness of God. May you find Him in abundance!

God Bless,

Maria E. Hawk  
Principal
