

Astro-Ved Consulting

We offer professional astrology and Vedic based consultation, delving deep into the underlying cause of disturbances in all areas of your life. Based on the ancient law of karma, our goal is to guide you toward a holistic understanding of the actions and reactions manifesting in your life. Astro-Ved consultation is not magic, rather it is a systematic and time-honored process based on the realizations and teachings of the ancient, self-realized sages. We specialize in problems with love, relationships, education, parenting, discovering your life purpose, family dynamics, education, child rearing, the purpose of human existence, employment, re-location, age crises, health and spiritual development.
