To Whom It May Concern:

The New Interdisciplinary School (NIS), a not-for-profit school serving children with and without disabilities from birth to age five, is having our **19<sup>th</sup> Annual Golf Outing** honoring Joseph Morris, DDS at the Port Jefferson Country Club on June 15, 2015. This outing is one of our school's biggest fundraisers, and we rely on sponsorships and donations to make it a success.

*The New Interdisciplinary School is an innovative early childhood learning center that respects the unique needs of all children and their families. Our commitment is to provide therapeutic and educational services with the highest standard of expertise.* NIS receives funding from New York State and Suffolk County to cover programs and services for students with disabilities; however, we rely on donations to enhance these programs and services. Money for extra-curricular activities, like our Therapeutic Horseback Riding program, and expansion of classroom technology comes only through fundraising efforts. Funds realized through these avenues are limited, so we need your help today!

Any contribution you can make that will allow us to help our students and their families would be greatly appreciated. Please see the following page to see the various sponsorship opportunities we have available. *Checks should be made payable to Friends of NIS*, and sent to the address above to my attention. You may also call me to make a credit card payment. Friends of NIS is a tax-exempt 501(c)(3) organization (tax ID number 11-2988931, exempt payee code 201625.) Please contact me to discuss different giving opportunities. I can be reached at (631) 924-5583, ext. 128 or via e-mail at [SusanC2@niskids.org](mailto:SusanC2@niskids.org). I look forward to hearing from you soon. Thanks for helping us help our children.

Sincerely,
