Online Dating Explained

"Transform Your Dating Life FOREVER!"

"I Turned From a 23 Year Old Virgin Who Had NEVER Had a Girlfriend Into A Guy Who Has Women BEGGING To Date ME, AND YOU Can TOO"

From the Desk of **Adam Pearson (AKA Nitrus)**
Date: **Thursday, November 6th, 2014**

Dear Future Love God,

Are you sick and tired of being single?

I know I was...

It was November 2009 yet I remember it like it was yesterday I was once again laying on my bed alone playing World of Warcraft on a Friday night, eating Pizza. I would literally cry myself to sleep some nights... I was pathetic and because of this Lucy, who sat one Desk in front of me at work, started to give me advice. Things like "Adam you should dye your hair brown", "Adam you should stick up your hair" etc....

I didn't know why at the time because she was usually a complete bitch to me but I was grateful and even changed my style based on all the little tips she had given me. Still, I was terrible with women... and then I read in the paper about a guy who had slept with hundreds of women in 2 years..
