

"Earth Wise Tips"
brought to you by
The PCC Green Justice Ministry Team

Greetings from the Penn Central Conference Green Justice Team.

Is anybody ready for Spring?! I'll keep this message brief because I know that everybody is anxious to get out of doors and get busy doing something. Just an FYI that all of last year's Mission 4-1-Earth information is still available at www.ucc.org, so there are lots of resources out there online for you to check out and utilize.

This Saturday, March 29 we celebrate **Earth Hour**. Turn off the lights for one hour, to save energy.

April 22 is Earth Day. There is plenty of good information out there at www.earthday.org to find out ways that you can make a difference this year.

It's spring, so get off the couch and go out of doors and get moving, walk or bike to your destination whenever possible.

It's spring, lots of great locally grown foods, check out your local farmer's markets.

Enjoy, stay active and involved, get out and get moving. Take care of yourself and Planet Earth this spring.
