ABOUT THE RACE:

This is a race to honor our hometown hero Glen Doherty. Glen was a former Navy Seal who sacrificed his life in order to save other people during the attack on the American Consulate in Benghazi Libya, September 11, 2012. Winchester helped to raise an amazing man. The Glen Doherty Memorial Foundation was founded to provide current and former special operations professionals, from all branches of the government, the means necessary to transition and succeed in civilian life. We also hope to enable the children and families of these soldiers the ability to mature and grow through recreation and education.
