

Concert for Flute and Piano

Sunday, February 9, 2014 ° 4:00 pm

Featuring **Dianne Williams** (performing with her 14-karat gold flute) and **Brent Schloneger** (performing on a specially selected Steinway grand piano), "Ivory & Gold" will warm your heart and soul with some of the duo's favorite classical pieces, including a sultry Carmen Fantaisie by Bizet, Clair de Lune and Syrinx by Debussy, inspiring portions of John Rutter's Suite Antique, an uplifting Sonata by Otar Taktakishvili, and classic piano solos by Beethoven & Brahms.

Featuring 3 different flutes ("goldie" and a piccolo and an alto flute) taking turns in combination with the warmth, breadth, strength, and resonance of a large concert-grand piano – this concert offers memorable sonorities from classic favorites.

Suggested donation: \$10 to \$15 @ intermission.
