

## ***Burnside Resort & Marina Referral Rewards Program***

**BOAT WITH YOUR FRIENDS & SAVE BIG DOLLARS AT THE SAME TIME**

Burnside Resort & Marina is introducing a great way to bring your friends and fellow boaters to your marina and earn big savings at the same time. Your marina experience will be even more enjoyable when you are boating and spending time with your friends. All you have to do is refer a friend and have the friend sign an annual storage contract, and you will start earning savings. And your savings will grow when you refer a second and then a third friend! Here is how it works:

Simply refer a friend to Burnside Resort & Marina by completing one of the forms on the back of this letter and submit it to an Burnside employee. Have your friend contact us, or provide us with his/her contact information. Once your friend signs an annual storage contract, a 10% discount will be applied to your current slip rental rate. When you refer a second friend, you receive a discount of 20% off of your current rate. And, with your third referral, you will receive a 30% discount applied to your current rate. So, if you refer three friends that sign annual contracts, you will receive 30% off your current slip rental rate!

We appreciate your business and look forward to your participation in our Referral Rewards Program. Please call Burnside Resort & Marina if you have any questions regarding the program, and as always, thank you for choosing Burnside Resort & Marina for your boat storage needs.

*Program details and restrictions: This program is for the 2014 calendar year only. Limit is three referrals per existing Burnside Resort & Marina customer for the 2014 calendar year. Referring customer must be a customer in good standing. We must receive the referral form in advance of the friend signing the contract, and the friend cannot be someone who has already contacted the marina inquiring about boat storage. Dollars are in the form of a rent credit only. Burnside Resort & Marina has the final say in determining whether or not a referral qualifies for the rent credit.*
