Summer Melt Students Who Fail to Matriculate: Why? What to Do?

based on a study conducted at the Harvard Graduate School of Education

and a panel of students and educators at the secondary and postsecondary levels.

With data similar to other urban areas, Hartford Public Schools saw 70% of the Class of 2012 accepted into some form of higher education; but only 51% of that group matriculated. We cannot afford, economically or morally, to continue such outcomes. There are solutions.

Attendance limited to the first 75 people to register.

Registration fee of \$50 includes breakfast, lunch and materials.

A portion of registration fee will support emergency funds for Career Beginnings students pursuing higher education.
