Powered by Business for Business

Dear Business Owners,

The Brunswick Area Chamber of Commerce in conjunction with the City of Brunswick & Ohio Means Jobs Medina County is sponsoring the **Annual Job and Career Fair** at the Brunswick Recreation and Fitness Center, 3637 Center Road. The date is set for **Friday, April 25, 2014**, from 10:00 AM-2:00 PM. Set up time will start at 9:00. Doors will open to attendees promptly at 10:00 AM. Lunch will be available during the event, please see order application and order form for additional details.

The purpose of this event is to help our local business owners find qualified staff and give the local employment pool a chance to meet area employers and businesses, all in one location. In addition, you will have a chance to learn about the educational opportunities provided by Cuyahoga Community College, Tiffin University, University of Akron, Lorain Community College, Franklin University and Cleveland State University located right here in the Brunswick Area. These colleges are always increasing the programming they offer to your current and future employees.

We have held this Annual Job and Career Fair for many years and look forward to a wonderful turnout of individuals looking for temporary to full time employment. We are expecting recent college graduates and individuals looking to advance in their careers.

Due to the space limitations, we are able to accommodate businesses with the following:

- Businesses offering full time or part time employment positions
- Businesses that maintain a business office
- Businesses offering salary positions, hourly positions, or commission based positions with hourly base incentives

Please complete the enclosed application by April 23, 2014 and email to the attention of the Brunswick Area Chamber at melissa@brunswickareachamber.org.

We hope that you will join us. Thank you!
