

Conservation Montgomery Fall Tree Planting Volunteers

Position Description

Come and plant new trees in our communities where tree canopy is the lowest level. We will train volunteers for this one-time event to be scheduled by late summer or early fall.

Student Service Learning hours are available for this activity for middle and high school students in Montgomery County Public Schools. Conservation Montgomery supplies trees, work gloves, tools, mulch and water at the event.

Estimated number of hours each month: 4 hours at one event this coming fall.

Setting for work: At a planting location in Silver Spring.

Contact with the CM board: By e-mail. Volunteers will also be invited to the annual Conservation Montgomery meeting on Nov. 7th where they will be recognized for their volunteer service.

To volunteer, send an e-mail to ConservationMontgomery@live.com
