

## **Conservation Montgomery Summer Tree Stewards**

### **Position Description**

Work with a team of tree stewards to water young trees planted by Conservation Montgomery in the past several years. Volunteers will also check trees for signs of deer damage and let the CM Board of Directors know about damage to the trees or if a tree is in poor condition.

A training session will be held on July 20<sup>th</sup> at 4 p.m. Student Service Learning hours are available for this activity for middle and high school students in Montgomery County Public Schools.

Estimated number of hours each month: 4 hours a week or more as desired

Setting for work: At the planting locations for trees in two Silver Spring communities.

Contact with the CM board: By e-mail. Summer Tree Stewards will also be invited to the annual Conservation Montgomery meeting on Nov. 7<sup>th</sup> where they will be recognized for their volunteer service.
