GREEN BUILDING CHALLENGE

April 29

ASSESS

June 24

TARGET

August 19

DELIVER

October 21

Key Tower
127 Public Square, Cleveland

MEASURE

7:30a - 10:00a

The 2014 Green Building Challenge is a program of the Northeast Ohio Chapter of the United States Green Building Council presented in collaboration with the Cleveland 2030 District. Through a series of four events throughout 2014, the Green Building Challenge will educate building owners and operators on the benefits of green building practices, walk them through the process of how to assess, finance, implement and measure energy efficiency improvements, and celebrate reductions in energy use related to past energy retrofit projects completed in Northeast Ohio.

This fourth and final event is focused on **MEASUREMENT & VERIFICATION**, and will be held from 7:30a - 10:00a at Key Tower in Downtown Cleveland.
