Dan W. Brock, PhD, Frances Glessner Lee Professor of Medical Ethics in the Department of Social Medicine, Harvard Medical School

“Physician-Assisted Suicide and End-of-Life Issues”

Wednesday, October 2, 5:00 PM
Boston University School of Theology Building
745 Commonwealth Avenue, Room 325

Dan Brock is a philosopher and bioethicist, and is the Frances Glessner Lee Professor of Medical Ethics in the Department of Social Medicine, the Director of the Division of Medical Ethics at the Harvard Medical School, and the Director of the Harvard University Program in Ethics and Health. Prior to his arrival at Harvard, Professor Brock was Senior Scientist and a member of the Department of Clinical Bioethics at the National Institutes of Health. Until July 2002, he was Charles C. Tillinghast, Jr. University Professor, Professor of Philosophy and Biomedical Ethics, and Director of the Center for Biomedical Ethics at Brown. He served as Staff Philosopher on the President's Commission for the Study of Ethical Problems in Medicine in 1981-82, and in 1993 was a member of the Ethics Working Group of the Clinton Task Force on National Health Reform. He has been a consultant in biomedical ethics and health policy to numerous national and international bodies, including the Office of Technology Assessment of the U.S. Congress, the Institute of Medicine, and the World Health Organization. He is a Fellow and former member of the Board of Directors of the Hastings Center, and

was a Fellow in the Ethics and Professions' Program and in the Division of Medical Ethics at Harvard University in 1991-92. He was President of the American Association of Bioethics in 1995-96, and was a founding Board Member of the American Society for Bioethics and Humanities.

He is the author of over 150 articles in bioethics and in moral and political philosophy, which have appeared in books and refereed scholarly journals, including the *New England Journal of Medicine*, *JAMA*, *Science*, *Hastings Center Report*, *Philosophy and Public Affairs*, and *Ethics*. He is the author of *Life and Death: Philosophical Essays in Biomedical Ethics*, 1993, and *From Chance to Choice: Genetics and Justice* (with Allen Buchanan, Norman Daniels and Daniel Wikler) 2000, all published by Cambridge University Press.

This event is supported by the Boston University Center for the Humanities.

This lecture is free and open to the public.
