

Arizona Youth Soccer Association has implemented a new procedure for the notification of send off (red card) suspensions for the 2014-15 season.

Effective immediately, all send off report suspensions will be posted on the AYSA website (azyouthsoccer.org), under the Administration tab, Suspensions drop down tab.

The information posted will include the date of the infraction, the player's ID #, the team & club, the violation and the number of games the player/coach is suspended, in accordance with the AYSA Red Card Policy. This new procedure will replace individual emails to coaches and team managers.

The team representative will be responsible for checking this page, as necessary, for the pertinent information on the player or coach. Please do not call the AYSA office to check on the status of a send off report (red card), as this information will be posted to the Suspensions page as soon as the information is received. This page will be updated weekly.

All Suspension Fulfillment forms should be sent to the AYSA office immediately following games in which players or coaches have sat out games. Only after Suspension Fulfillment forms have been received and verified will the player/coach be removed from the suspension list and the information updated in Gotsoccer.

Suspension Fulfillment forms can be mailed, faxed (602-433-9221) or emailed (azyouthsoccer@gmail.com) to AYSA.
